This boxed set includes 4 shorts:

MAKE ME
Veronica can always feel a pair of eyes on her every time she attends Jamie's pool parties. None of her friends suspect its Jamie's dad.

From the upstairs window behind the safety of lacy drapes, Mr. Waters feasts his eyes on Veronica's skimpy bikinis. But all safe cards are thrown out the window when she ventures inside to use the restroom. Before she can shut the door, Mr. Waters pins her against the vanity, his growing bulge pressed against something that had never had any intruders.

That is, until today.

BREAK ME
Veronica tiptoes back downstairs to Jamie's party, the new ache between her thighs the only remembrance of her time with Mr. Waters. Shame and humiliation fill her thoughts but she can't shake desire's hold on her. She wanted - needed - more.

When Mr. Waters offers to drive her back home, she is both fearful and exhilarated when he misses the turn to her house. He finally parks in front of a pristine lake house and collars her before she can step out of the car.

Will she crawl her way out of this victorious or submit to being Mr. Waters' prey?

TAKE ME
When Veronica opens Mr. Waters' bedroom door, she finds she's been replaced. Her friend, Missy, is tending to his need at his feet with her hands behind her back.

Desperation pours from Veronica as he serves her an ultimatum. Will Veronica cripple under the pressure, or show Missy who is queen of this bedroom and reclaim her territory?

WAKE ME

Veronica hears Mr. Waters' footsteps pad towards the basement bathroom, where she and Jamie are playing Seven Minutes of Heaven. As a new flood of pleasure wets her thighs at the thought of being caught, she doesn't want Jamie to know how familiar she is with his father.

Fear and anxiety fill her thoughts but desire has her wrapped around its finger. She wants to get caught so Mr. Waters will be extra rough with her. However, she finds out Mr. Waters has harsher punishments involved for the both of them the moment he steps in the bathroom.

Will she learn her lesson this time or continue to push buttons until Mr. Waters' hand is permanently stained on her rump?
