Pig City: 10th Anniversary Edition

Andrew Stafford

Pig City: 10th Anniversary Edition Andrew Stafford
From cult heroes the Saints and the Go-Betweens to national icons Powderfinger and international stars Savage Garden, Brisbane has produced more than its share of great bands. But behind the music lay a ghost city of malice and corruption. Pressed under the thumb of the Bjelke-Petersen government and its toughest enforcers—the police—Brisbane's musicians, radio announcers, and political activists braved ignorance, harassment, and often violence to be heard. This updated, 10th anniversary edition features a scathing new introduction by the author, assessing the changing shape of Brisbane, its music, and troubling developments since the return of the state of Queensland to conservative governance.
