Princes and Princesses. Five Minute Fairy Tales and Bedtime Stories. (Elizabeth White Books for Children Book 3) Elizabeth White
All children love fairy tales and parents will love these 5 minute versions as they are ideal for busy families. They give a quality story time and if you give in to ‘just another one’ it will not take too long and will be fun for you both.

The idea is that you enjoy reading together; associating reading with fun, attention, closeness and cuddles is an excellent thing. These stories are designed for your child to join in when the rhymes are in block capitals such as…

WITH HAIR OF RED AND EYES OF GREEN
THE MOST BEAUTIFUL MERMAID YOU HAVE SEEN

Taken from The Little Mermaid.

This is fun and you can laugh as you learn but it also helps with memory and prediction of the story which are essential reading skills.

I have been telling these stories for over 30 years to pupils and my own children and they are guaranteed to be popular. I call the tales ‘best loved’ to make sure they are suitable, as some fairy tales can be very frightening and they will not be here.

Fairy tales help children learn and no matter what happens it is essential that everyone lives ’happily ever after’ in this childhood world. I use simple language to make them accessible to children so soon they will be able to read them alone.
