'What if there was an author who wrote about crime and therefore relied upon death to earn a living.'

Buried bodies, buried guns, buried money and buried truths. Only one man who's been on the inside tells it like it is about the Australian hit men, bikie wars and drug syndicates. While his peers suffered violent deaths, Chopper outlived them all to give the real story.

This is the life of the standover man who went from ex-con to national icon.

The Popcorn Gangster tells of the psychology of fear and the Calabrian contract straight from former street fighter and now bestselling author, Mark Brandon 'Chopper' Read.
