Explore American politics through the Constitution

Government by the People, 2012 Election Edition continues a tradition of excellence by offering the most classroom-tested introduction to the foundational principles, processes, and institutions of American government. Emphasizing the accomplishments of a government *of the people*, *by the people*, and *for the people*, this text highlights the central role people play in a constitutional democracy. *Government by the People* inspires students to see how similarities and differences in political beliefs continue to shape government today.

This text features full integration with the New MyPoliSciLab. MyPoliSciLab includes a wide array of resources to encourage students to look at American politics like a political scientist and analyze current political issues. Political Explorer lets students play the role of a political scientist by investigating issues through interactive data. Core Concept videos discuss the big ideas in each chapter and apply them to key political issues. Simulations allow students to experience how political leaders make decisions.

A better teaching and learning experience
This program provides a better teaching and learning experience–for you and your students. Here's how:

- *Personalize Learning*–The New MyPoliSciLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational

expertise and a deep commitment to helping students and instructors achieve their goals. MyPoliSciLab is now compatible with BlackBoard!

- *Engage Students*–The stunning visual design engages students in the text.
- *Improve Critical Thinking*– Learning objectives in every chapter help students focus on important topics.
- *Analyze Current Events*–Coverage of the 2012 elections keeps the study of politics relevant and shows how political scientists look at the development of the American political system.
- *Support Instructors*– A full supplements package including the Class Preparation Tool in the New MyPoliSciLab is available.
