Big Cats Seymour Simon
The grace and power of big cats—lions, tigers, leopards, jaguars, cheetahs, pumas, and snow leopards—are captured in full-color photographs and a text that explores how they hunt, care for their young, and rest in their varied natural habitats. ‘The combination of action shots and the author’s practiced, informal style will win the attention of young readers, with whom Simon charges the future of big cats.’ —C.
