Embrace The Suck (A Stepbrother Special Forces Novel) Sophia Kenzie
First Sergeant Charlie Madison

Today I'll make her come, and tomorrow, I'll make her quit.

Under no circumstances should a woman be considered for the special forces. And certainly not the Green Berets. I'll be God damned if me or my brothers fall at the manicured hands of some sorority sister.

Tomorrow's the first day of US Army Special Forces training—she's a recruit, and I'm her CO and new living nightmare…but she doesn't know that yet. That's why I'm going to show her whose boss, here, tonight in the bathroom of this shitty bar.

She doesn't fight, she makes it easy…but there's something about her, the way she gives herself to me but still holds strong while I take what I want.

I can't let this hot piece of ass cloud my judgment. Tomorrow's hell day, and it's game on.

By the time I'm done with her she'll be begging me for an escape, and I'll happily send her packing.

Private Hannah Birk
