Modern Culture & Critical Theory RUSSELL A. BERMAN
Are the arguments of the Frankfurt School still relevant? *Modern Culture and Critical Theory* investigates this question in the context of important issues in contemporary cultural politics: neoconservatism and new social movements, discontents with modernity and debates on postmodernism, the political hegemony of Ronald Reagan, and the cultural hegemony of structuralism and poststructuralism. Russell Berman thoughtfully explores the theories of Horkheimer, Adorno, Benjamin, Lyotard, and Foucault and their relevance to both historical and contemporary issues in literature, politics, and the arts.
