Snippets of Joan Rivers Dave Farnham
Joan Rivers is without a doubt the most fearlessly outspoken and controversial comedienne in the world. She has delighted or outraged millions with her biting, sometimes savage wit which is frequently turned against herself. Her one-liners are often devastatingly funny, even when she is being offensive. For half a century her radio and TV programmes have given her a huge number of followers. In this book, Dave Farnham has collected examples of her wit at its ferocious best. Find out her opinions on childbirth, what she thought of Elizabeth Taylor or what she let slip in the presence of the Queen...

It’s a great little book to dip into for a bundle of laughs!
