Hammered Elizabeth Bear
Once Jenny Casey was somebody's daughter. Once she was somebody's enemy. Now the former Canadian special forces warrior lives on the hellish streets of Hartford, Connecticut, in the year 2062. Racked with pain, hiding from the government she served, running with a crime lord so she can save a life or two, Jenny is a month shy of fifty, and her artificially reconstructed body has started to unravel. But she is far from forgotten. A government scientist needs the perfect subject for a high-stakes project and has Jenny in his sights. Suddenly Jenny Casey is a pawn in a furious battle, waged in the corridors of the Internet, on the streets of battered cities, and in the complex wirings of her half-man-made nervous system. And she needs to gain control of the game before a brave new future spins completely out of control.
