Joe DiMaggio: Baseball's Yankee Clipper Jack Moore

This is the book for the serious DiMaggio and sports-as-culture buff. [Moore] . . . has sifted throught most of what has been written and rumored about the Yankee Clipper in newspapers, magazines, books and even songs. The narrative portion--there's also a bibliography and DiMaggio's baseball stats--is divided into two sections: DiMaggio's life on and off the field, and his evolving stature as a mythic figure. All rendered in sensitive, but refreshingly unsentimental prose. *USA Today*

Anyone serious about building an excellent baseball library or interested in the role of sports in American society should get a copy of this book. . . . An excellent and well-researched book. *The Sporting News*
