Behind every lost dream lies a second chance... When adored town spinster Joy Talley ends up in a coma after a peculiar accident, she is surprised and incensed to hear what is being said in her hospital room, including plans for her funeral. When she finally wakes, her well-meaning, but bossy, brothers and sisters dismiss her claims, thinking her accident has knocked her off her rocker, but Joy has never felt better, and is determined to set the past right. Now Joy must face her darkest secret and risk reopening wounds caused by an old flame who rejected her more than twenty years ago. But taking risks brings change, as well as a new, younger man into Joy's life, making her feel like a teenager again. Suddenly Joy's once humdrum life is anything but boring and routine and the future beckons, exhilarating and bright.
