Master the basics of surgical technology in a flash!

Quiz yourself in any setting with these handy flash cards. 219 cards illustrate the instruments and staplers most commonly used for general, laparoscopic, robotics, and OB/GYN surgeries. Plus, 20 bonus cards cover even more specialties.

Examine a picture of the instrument—including a close up of the instrument's tip—on the front of each card. Crystal-clear photographs help you distinguish between similar-looking instruments. Then, flip it over to see the correct name, category, and its use on the back.

These test-yourself review cards make the ideal companion to the author's text, **Differentiating Surgical Instruments, 2nd Edition.**
