In this collection of stories, you'll find original fiction, short and long, about men falling in love: college guys meeting for the first time, established couples working through a crisis, a time-traveling Scots Highlander, a hockey player trying to keep his sheriff and cowboy lovers happy, aliens, computer programmers, demons, bacon, and more. The stories range from 5,000 to 64,000 words, contributed by group authors to cover a wide range of items and themes suggested by the Goodreads M/M Romance Group Scavenger Hunt challenge game and donated as a gift for its organizer.
We've listed the items that counted for Scavenger Hunt points at the front of the book. While you're reading, you can keep your eye out for them if you want to play along. Even the cover is a nod to the "hand-drawn cover with ten items" game points. Happy Hunting (Under Covers).
Publisher's Notes:
