Ivan's Yeti Feti (A Paranormal Gay Werebear Shifter Erotic Romance Novella): Book 1 Xara Xinn

Ivan’s always been curious...curious in more ways than one….

Ivan and Allesandra are the excited recipients of a research grant to search for the existence of Yeti in the Siberian wilderness. However, the pair get more than they bargained for when they come face-to-face with a Yeti pack. Initially, Ivan thinks the Yeti are simply trying to scare them, and teach them a lesson so they will never return to their territory. However, when Ivan realizes that he accidentally scheduled the research excursion when these **alpha males are in season**, it becomes clear to him that their stay in Siberia could be longer than originally expected.

Ivan’s Yeti Feti (Book 1) is so hot, that it just might set your e-reader on fire! WARNING: Not for the weak of heart, and for adults 18+ only. This work of fiction is the product of the author’s wild and fun imagination. Any similarities to real life characters, places, and events are completely unintended and purely coincidental. Please further note that all characters depicted are of legal adult age. It contains extremely graphic descriptions of sex acts including **scenes between an alpha male shifter and bicurious Ivan**. If you are offended by the nature of such stories, please do not purchase this book. Otherwise, enjoy!

Author’s Note: This book is told from a male’s POV. The characters in my erotica often do not use protection or practice safe sex. These stories are all about the fantasy of sexual encounters, and are meant to entertain and help readers escape the real world. With that said, please, *stay safe.* **Always practice safe sex!**
