Murder In Malibu: A Miss Merry Mac Mystery (Volume 1) Ms Dana Precious
Dana Precious, the author of the hilarious Born Under A Lucky Moon novel, now brings you MURDER IN MALIBU -- the debut book of the 'Miss Merry Mac Murder Mystery' comedic series. Merry MacIntosh was a normal small-town girl working as a waitress at the North Muskegon Steak ‘N Egger until life picked her up and dropped her on her head. First she married the whirl-wind love of her life -- James -- a man she thought was a truck driver. When he is murdered Merry discovers James is actually the heir to billions of dollars -- suddenly HER billions of dollars. She would have traded it all to have her James back. Now under mysterious circumstances Merry finds herself on a trip to California courtesy of the swanky magazine Travel & Glamour. But no sooner has she landed in Malibu then a murder once again lands in her lap, almost literally. A glittering A-list film star has plummeted – or been pushed – to her death dropping into the bushes right next to Merry’s lounge chair. Complicating matters further is the gorgeous, dark-eyed stranger who seems to always be near when any trouble begins. When Merry is considered the prime suspect in the starlet's murder she must start her own investigation to clear her name. She is aided by Miss Silverweather, her embarrassing and politically incorrect, 80-year-old companion and Boy, her trusty Border Terrier. Malibu is heating up fast because as Merry gets closer to the truth the real murderer gets closer to her.
