Profoundly Disconnected : A True Confession From Mike Rowe By Mike Rowe Mike Rowe
About the Book... It's true. Mike Rowe has written a book. A real book. The print isn't even dry and already they're flying off our virtual shelves. You won't find it on Amazon and in fact, this is the only place you can buy it. Grab one for yourself and a friend (they make great gifts) by clicking one of the buttons below. While Mike was in the writing mode, he also asked us to include a personal note from him to you: . Before any money changes hands, and in the spirit of full disclosure, I wish to make a few things unmistakably clear about my new book, "Profoundly Disconnected®, A True Confession From Mike Rowe." First and foremost, it ain't Moby Dick. In fact, the actual manuscript is only one page. As pages go, this one is very, very solid, but it is what it is and I feel compelled to manage expectations at the outset. Toward that end, it's probably best to evaluate this book as something more than another hopeful bestseller from another B-list celebrity. This is a fundraiser. All the proceeds go to the mikeroweWORKS Foundation, to be used for Work Ethic Scholarships and advocacy campaigns surrounding American manufacturing. Having said that, I can say with a straight face that every responsible citizen who cares about the future of our country should buy this book as soon as possible. Thanks - Mike Rowe, Dirty Jobs, etc.
