The Radical Wrong: Lies Our Founding Fathers Never Told Us: Washington, Jefferson, Lincoln & Others Refute Right-Wing Extremists Victor Daniels Ph.D.
This hard-hitting response to false statements about our nations values and ideals by rigid radical right-wing extremists unmasks their deceptions by using the actual words of the founding fathers—both brief quotations and longer passages. It pays tribute to the America you always knew was hidden behind smokescreens of rigid partisan ideological rhetoric and tells how to get it back. The spirits of Patrick Henry, Thomas Paine, Benjamin Franklin, George Washington, Thomas Jefferson, Abraham Lincoln, James Madison, Samuel Adams and others walk through these pages, telling you what they themselves thought said and meant. Throughout, the author asks you to think for yourself rather than accept his views or those of any party or partisan. This engaging work bares the origins of the widening gap between rich and poor, tells how religious imperialists are imposing their views on everyone, and lets the founding fathers speak directly to freedom, equality, justice, and other central values. It examines the Warfare State's never-ending aggression and beggaring of our nation's treasury, and the twisted view of liberty that places freedom for corporations above freedom for people. It reviews women's and African-American's past and present struggles for freedom. Remarks by historic and contemporary humorists lend a lighter touch. The book's three parts are: Democracy in Crisis; Dimensions of Our Concerns; and Heal Yourself, Heal the Nation, Heal The World. Each chapter is arranged around a foundation stone of democracy that is under siege today. Each starts with an orienting paragraph, moves into the quotations that are its central feature, then provides the author's comments and solutions. It challenges you to help rescue the America that most of us know and loved from the quicksands of right-wing ideology that now threaten it.
