The Sabbath (Walk in the Light, Volume 8) Todd D Bennett
This book traces the Sabbath day from the first day of creation to the present day. It examines what the Scriptures have to say about this unique day that was set apart from all other days. This is a must read for anyone interested in the Bible. It reveals the traditions that have developed by men essentially relegating the Sabbath day to the religion of Judaism while Christianity has allegedly changed their sabbath to Sunday. Learn the error of these traditions and the importance of the Sabbath as a sign for all those who desire to enter into a Covenant relationship with the One Who created the Sabbath day.
