Kierkegaard and Philosophy: Selected Essays

Alastair Hannay

Kierkegaard and Philosophy: Selected Essays Alastair Hannay
Kierkegaard and Philosophy makes many of the most important papers on Kierkegaard available in one place for the first time. These seventeen essays, written over a period of over twenty years, have all been substantially revised or specially prepared for this collection, with a new introduction by the author.

In the first part, Alastair Hannay concentrates on Kierkegaard's central philosophical writings, offering closely text-based accounts of the silent concepts Kierkegaard uses. The second part shows the relevance of other thinkers' treatments of shared themes, pointing out where they differ from Kierkegaard. The concluding chapter provides a reason Kierkegaard himself would give for disagreeing with those who claim his texts are infinitely interpretable.

Written by the world's foremost Kierkegaard scholar and translator, *Kierkegaard and Philosophy* is an indispensible resource for all students of Kierkegaard's work.
