Triple X Texas Women Trilogy - Boxed Set: Rosebud, The Goodnight Loving Trail and Under A Texas Moon Faye Adams
Triple X Texas Women Trilogy Boxed Set!
This Boxed Set edition includes all three titles of this Wild, Wonderful Western Trilogy. Three exciting novels about three exceptional women.
Rosebud, the first of the trilogy is Rachel's story. Rachel owns the family ranch, The Triple X, in Texas at the end of the civil war. When Sinclair Braddock rides in with a contract claiming half ownership in her ranch she's ready to shoot him on sight...an almost does. There's no way in hell this stranger is going to take half of what's hers. It doesn't matter that a fire hotter than the flames of Hades burns between them. Sin has nothing left at the end of the war and this one chance for happiness at the Triple X is his only hope. But can he convince Rachel to accept him...and his love?
The Goodnight Loving Trail, the second book in this trilogy, is Rachel's daughter, Tish's story. While driving her herd of Triple X cattle north to Montana to join her fiance', Daniel, a stampede causes her to lock horns with the owner of another herd. Luke Bonner is an ornery, ill-tempered man who questions her honesty and her ability to be the trail boss of her outfit. Their heated exchange of insults quickly turns to another kind of exchange and much to Tish's horror, she can't deny the attraction she feels for this arrogant cowboy. Luke Bonner can't believe his bad luck when his herd and Tish's collide on The Goodnight Loving Trail. With no way to separate the herds, he's forced to endure Tish Walker, the woman in charge. All he wants to do is get to Montana without too much trouble. Tish's very presence is a guarantee of trouble, especially when he can't keep his hands off of her. Their trip north is full of danger and passion.
Under a Texas Moon, the third book in the trilogy, is Rachel's second daughter, Jessie's story. Jessie was a wild child so her parents decided to raise her in the more sedate Charleston where she's taught to be a lady. When she learns her parents have sold the family ranch, The Triple X, all her lady-like ways are tossed out the window as she dashes to Texas to re-claim her birthright. She's willing to do almost anything to own The Triple X. The one fly in the ointment is the handsome, James Bonner, who has no intention of selling the ranch to Jessie. He's worked long and hard to own The Triple X and nothing is going to sway his decision to keep it, not even the persuasive ways of the very sexy Jessie Braddock. Who will win in their battle of wills? And who will succumb to the passion that burns between them?
