Conversations with the Fat Girl

Liza Palmer

Conversations with the Fat Girl Liza Palmer
Everyone seems to be getting on with their lives except Maggie. At 26, she's still serving coffee at The Beanery Coffee House, while her friends are getting married, having babies, and having real careers. Even Olivia, Maggie's best friend from childhood, is getting married to the doctor with whom she lives. Maggie's roommate? Her dog Solo (his name says it all). The man in Maggie's life? Well there isn't one, except the guy she has a crush on, Domenic, who works with her at the coffee shop as a bus boy.Maggie and Olivia have been best friends since they were in grade school. Both fatties, they befriended each other when no one else would. Now grown-up, Maggie is still shopping in the "women's section" while Olivia went and had gastric-bypass surgery in search of the elusive size 2, the holy grail for girls everywhere. So now Olivia's thin and blonde and getting married, and Maggie's the fat bridesmaid. Ain't life grand? In this wonderful debut novel that is sure to remind readers of Jennifer Weiner's Good In Bed, Liza Orr is both witty and wise, giving voice to women everywhere who wish for just once that they could forget about their weight.
