**Developmental Language Skills: Guided Practice in Grammar, Usage and Mechanics (Elements of Language Introductory Course/Grade 6)**
Developmental Language Skills covers core grammar, usage, and mechanical skills, making it a perfect workbook for teachers with struggling students or for students or for teachers who wish to provide a basic overview of language skills. Today's middle school and high school students receive and process information from a wide variety of sources. Television, radio, movies, and the Internet demand that students become literate in a number of different media. With an emphasis on reading informational texts, Elements of Language provides content, activities, and resources to help today's students excel. Highly focused Writing Workshops support students' writing development, while the Warriner's approach to grammar helps them master language skills. Real-world sources such as magazines, newspapers, and brochures help students see the relevance of the skills they are learning.
