On the Technique of Acting

Michael Chekhov

On the Technique of Acting Michael Chekhov

The most authoritive, authentic text of a classic guide to acting

In the four decades since its first publication, Michael Chekhov's *To the Actor* has become a standard text for students of the theater. But *To the Actor* is a shortened, heavily modified version of the great director/actor/teacher's original manuscript, and *On the Technique of Acting* is the first and only book ever to incorporate the complete text of that brilliant manuscript. Scholars and teachers of Chekhov's technique have hailed *On the Technique of Acting* as the clearest, most accurate presentation of the principles he taught Yul Brynner, Gregory Peck, Marilyn Monroe, Anthony Quinn, Beatrice Straight, and Mala Powers, among others.

This new, definitive edition of Chekhov's masterful work clarifies the principles outlined in *To the Actor* concerning the pivotal role of the imagination in actors' understanding of themselves and the roles they play. *On the Technique of Acting* also expands on Chekhov's previously published work with many unique features, including:

- Thirty additional exercises
- A chapter devoted to screen acting
- More thorough explanations of the Psychological Gesture, inner tempo vs. outer tempo, and other key concepts of Chekhov's approach

For actors, directors, and anyone interested in the theater, *On teh Technique of Acting* is an essential handbook.
