The Sum of All Men (Runelords, Book 1) David Farland
[Read by Ray Porter]

David Farland's acclaimed Runelords series introduces a world where the social structure is based upon the magical exchange of "endowments" such as stamina, grace, and wit. The Runelords are those who receive these endowments from their vassals, becoming superhuman in exchange for the responsibility of caring for those they have deprived of strength, or beauty, or sight.

Young Prince Gaborn of Mystarria is traveling in disguise on a journey to ask for the hand of the lovely Princess Iome of Sylvarresta. Armed with his gifts of strength and perception, the prince and his bodyguard stop at a local tavern, where they spot a pair of assassins who have their sights set on Princess Iome's father. As they race to warn the king, they realize that more than the royal family is at risk: the very fate of the Earth is in jeopardy.
