Do you wonder what your true path in life is? We each have a purpose and a mission. However, uncovering this purpose can be challenging, and often daunting. If you are like most, you have probably asked yourself, “Why am I here?” But where do you turn for answers? Religion? Psychology? Spirituality?

Written by psychologist and bestselling author Matthew McKay, charismatic Silicon Valley spiritual leader Seán ÓLaoire, and bestselling author Ralph Metzner, *Why?* will help you see what your past and present experiences are telling you about the spiritual theme in your life; one that is visible when you know how to read the signs. Your experiences may be that of a Healer/Peacemaker, an Explorer/Scientist, a Warrior/Guardian, an Artist/Designer, a Teacher/Communicator, or a Builder/Organizer. By showing you how to uncover your unique path, this book will help you discover your life’s true meaning.

This book will help you dismantle tired, old traditions that tell us that we should avoid pain and seek pleasure or pursue power, and shows us that even pain can play an important part in how we choose to live. The book also helps you to create your own cosmology that unites your beliefs with your life’s mission, helps you recognize that individual mission, and outline exercises to bring you into alignment with this mission via personal practices. Despite these heady topics, the book is written in an accessible, inspiring, and entertaining tone.

We are here to see, to know, to gather whatever wisdom our life offers, and to make use of that wisdom as our soul matures. A seamless blending of deep spirituality, good psychology and practical living, *Why?* offers the tools that you need to gain knowledge and awareness of yourself at the deepest level. So get ready to reveal your personal path in life, and begin living life to its fullest.
