Creed: Eyewitness Phoenix Daniels
Meet Taylor Montgomery, the beautiful, but disgruntle, Chicago cop. She was disgruntled, not because she didn't love her job, but because she was fed up with the slippery politics associated with the department. Yet, she donned her uniform every day, wearing it with pride, and patrolling the dangerous streets of The Windy City. Her life was fairly simple until she encounters Victor Creed, the sexy, stop your heart, drop-dead gorgeous Governor of Illinois. The moment they laid eyes on one another, there was a fiery attraction that they were unable to suppress.

Victor and Taylor contemplated the possibility of pursuing a relationship. Unfortunately for the couple, there was no shortage of enemies. Due to the unforeseen and unconstitutional shooting of an unarmed man, Taylor must make the choice between telling the truth, the whole truth, and nothing but the truth, at the risk of being ostracized by the very people that she depended on for backup, or go along with the program and lie. Will the governor run in order to protect his political career? Or will he stand with Taylor as she battles the department, the media, and other unknown enemies?
