Crimson Midnight (A New Adult Dark Urban Fantasy Series) (The Crimson Series Book 1) Amos Cassidy
They say London is the city that never sleeps. Man, you have no idea…

A new job, a new life and a new home, Rose has left the pain of the past behind. But if she thinks she's going to have it easy she's in for a shock. There's Roman for starters, a complication with a capital C. With the racing pulses and the x-rated thoughts, she can barely keep it together. And then he decides to drop a bombshell. It's the domino effect alright, because hot on the heels of his revelation come a few unpleasant ones of her own. Rose discovers that there is a darker side to London, an ancient secret, a world that she belongs to and one that could get her killed.

Question is, can she keep it together long enough to kick danger's arse?

A kick ass dark urban fantasy romance, filled with moon praising vampires, chic corporate werewolves, bar tending warlocks and much much more...

So tell us a little about the Crimson series, what do you have in store for your readers?
Cassidy: Well, the crimson series is a dark urban fantasy with a little of everything, suspense, mystery, humour and romance. Cassidy: Aside from that we don't want to give too much away, but we promise you a thrill ride you won't forget.
How many books are planned in the series?
Amos: we originally planned for three but then the story just grew so now we have four planned. The last book will be released 27th August 2015
