**Cuckolded by a Big Black Billionaire: A Husband's Tale** Esme Fade

## "'Tom, I'm going to sleep with your wife tonight. She is going to be mine. Do you understand me? She's been telling me about how you've never satisfied her, and I see it as my duty - no, my privilege - to do that for her. Do you have any objections?'

## 'She never said those things!' I hissed heatedly, trying to prevent the rest of the guests hearing us through the curtain."

Laurel and Tom were out at a restaurant owned by Clay, a **big and black alpha male billionaire**.
But when Clay arrives and notices Laurel, he **needs to have her** - whether or not Tom wants to stop him. A tale of Tom's **cuckoldry and humiliation**.
***Will Laurel stay with Tom? Or will Clay take them both to his apartment to have his way with them, dragging Tom's masculinity through the dirt?***
