AREA 51 ALIENS AND UFOs - Mysteries, Secrets and Facts about Aliens and UFOs at Area 51 (Area 51, Ufos, Aliens) Michael Dicks

Unveil the shadow of that mysterious place, Area 51, which has been kept in extreme secrecy so far, aircraft that were deployed there for testing purposes, beyond the eyes of the masses and the mysterious creature ‘The Alien'.

This U.S. military installation had been one of the worst kept secrets on the planet. The very existence of Area 51 has always been denied by the U.S. government. It is the most well-known secret base in the world. It is a location that has held its secrets for decades, most of them classified, it is a testing site for the most secret of military technology, and it is a place where the Constitution and law do not apply, where environmental laws are repealed, and where you can be shot just for walking around.

People who have observed aliens and their views regarding its presence, association and motives have been discussed. The book also highlighted controversies around alien and mighty stories that are linked with this hidden creature.

The existence of that mysterious creature 'The Alien' is covered in great detail, from Indian history to recent developments. People who have observed Aliens have been discussed, along with their views regarding their presence, associations and motives. The book also highlighted controversies around aliens and mighty stories that are linked with this hidden creature. In addition, a history of the area is brought up for discussion and the clean-up of the area and its consequences is a hot topic in the book. Efforts have been made to reference various text and websites for further study and deep insight into the subject.
