Dance: Are You Ready For the Next Step? Jill Ann Wolins
Calling all Serious Dancers! This book is a MUST READ! Are You Ready to Take the Next Step with Your Dance Career? If you are looking for the right dance college or wanting to break into the professional dance world and have questions, this is the book for you! Dance teachers teach their beloved students everything they can about dance. But then who shows the way into the professional world? Dance: Are You Ready For the Next Step? will help guide young dancers to the appropriate college dance departments and degree programs, as well as prepare them for the professional dance world. Here dancers and parents will learn all about the professional dance world: where to find auditions and how to be successful, how much money dancers actually make, differences between union and non-union performer jobs, agent suggestions, and survival tips. Unique to this book is the special section for "The Interviews," including honest, real-life stories from successful performers of all genres: from New York City Ballet to Justin Bieber Dancers to Broadway. The key to success is being prepared and informed: knowing what to expect and how to rise to the top! All the answers you need and information including: * How to find the perfect college dance program * Tips for resumé writing and professional headshots * Where to find dance auditions and what to expect * Potential earnings for dancers * Information on labor unions for performers * Getting an agent * Real answers and tips from many successful performers in the industry

From reader reviews:

Tiara Arnold:

What do you think about book? It is just for students as they are still students or the idea for all people in the world, exactly what the best subject for that? Only you can be answered for that problem above. Every person has various personality and hobby for every single other. Don't to be pushed someone or something that they don't desire do that. You must know how great and also important the book Dance: Are You Ready For the Next Step?. All type of book are you able to see on many sources. You can look for the internet options or other social media.

Jason Ayers:

Book is to be different for every single grade. Book for children until adult are different content. As we know that book is very important for people. The book Dance: Are You Ready For the Next Step? had been making you to know about other understanding and of course you can take more information. It is rather advantages for you. The book Dance: Are You Ready For the Next Step? is not only giving you considerably more new information but also to be your friend when you experience bored. You can spend your own spend time to read your reserve. Try to make relationship using the book Dance: Are You Ready For the Next Step?. You never really feel lose out for everything if you read some books.

Jennifer Bedard:

Reading a e-book tends to be new life style in this particular era globalization. With reading you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Many author can inspire their reader with their story or maybe their experience. Not only the story that share in the books. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on this planet always try to improve their talent in writing, they also doing some study before they write with their book. One of them is this Dance: Are You Ready For the Next Step?.

Siobhan Wilcox:

A lot of publication has printed but it differs from the others. You can get it by internet on social media. You can choose the best book for you, science, witty, novel, or whatever through searching from it. It is known as of book Dance: Are You Ready For the Next Step?. You'll be able to your knowledge by it. Without making the printed book, it might add your knowledge and make you actually happier to read. It is most significant that, you must aware about publication. It can bring you from one destination to other place.
