The Engineering Income and Salary Survey, 2007 The Engineering Income and Slaray Survey Publishing Group
The Engineering Income and Salary Survey is a collaboration between the American Society of Civil Engineers and the National Society of Professional Engineers. It provides the engineering profession with the most comprehensive and valid compensation resource available. The goal of the partnership is to continually grow the data sample and verify the statistical accuracy of all data reported. The book is accompanied with a free one year online subscription to all data associated with the survey. This online data is updated in real-time insuring that it is always accurate and up-to-date.
