The Rebecca Notebook: and Other Memories Daphne du Maurier
"In her heartfelt memories...one hears the genuine, thoughtful voice of a woman whose works have been loved by millions."-*New York Times*

Rebecca was one of Daphne du Maurier's greatest bestsellers. It has been read all around the world, and in many different languages. The book has been adapted for the theater, film, television, and even opera. Now Daphne du Maurier reveals how it came to be written: its origins, its development, and the directions its plot might have taken. The original outline of the novel is here, as well as the original Epilogue. Daphne du Maurier also reveals how she first came upon Manebilly, the secret house hidden away in Cornish woodland, that was to become the romantic setting of *Rebecca*: a house which stood derelict, and which she lovingly restored.
