7th Grade Middle School Chronicles: "Oh Essynce, if only you could see the future..." (Volume 2)
Essynce E. Moore
If you would have told me a year ago that I would develop a crush on one of the guys in my school, my friends would randomly just start dating one-another, or I would shave the side of my head I would...probably believe the last one. But that’s not the point, the point is this year in middle school was nothing I’d predicted and this is coming from me, the girl who always says, “Expect the unexpected.” But sometimes we just don’t see these things coming and when they do come we have no choice but to live in the moment and let life come at us. Kids, teens, and adults who want to make sure my book is appropriate for their children to read, I bring you the sequel of 6th Grade Middle School Chronicles, the true story of my 7th grade year!!! Xoxo, Essynce
