Allergies

T. A. Chase

Allergies T. A. Chase
(Gay / Dark Fantasy / Werewolf / Shapeshifter / BDSM / Romantic Comedy / Suspense / Thriller / Series)
What's a shapeshifter to do when the man he desperately wants is allergic to him? Raymond Marvels never imagines his call to the IT department at his graphics design job would result in his meeting Lou Canis, the most gorgeous man he's ever seen. There's one small problem, though--Ray is allergic to Lou. Yet his allergy is only one of the weird things going on between them. Lou, a werewolf, isn't sure how to fix the situation, because it seems his would-be lover's allergy is to Lou's human form and not his canine one. Lou decides to tell Ray his deep dark secret, which has unexpected results when Ray embraces both sides of Lou. Yet after a witch doctor gives Ray some medicine to solve his problem, Ray and Lou discover they must also face a dangerous conspiracy evolving around them...

From reader reviews:

Donald Kelley:

Information is provisions for those to get better life, information nowadays can get by anyone with everywhere. The information can be a expertise or any news even restricted. What people must be consider whenever those information which is from the former life are challenging to be find than now's taking seriously which one works to believe or which one the particular resource are convinced. If you get the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen with you if you take Allergies as your daily resource information.

Shannon Bland:

Allergies can be one of your beginning books that are good idea. Many of us recommend that straight away because this publication has good vocabulary that can increase your knowledge in vocab, easy to understand, bit entertaining but delivering the information. The article author giving his/her effort that will put every word into satisfaction arrangement in writing Allergies but doesn't forget the main level, giving the reader the hottest as well as based confirm resource facts that maybe you can be considered one of it. This great information could drawn you into brand-new stage of crucial imagining.

Lisa Knight:

Is it you actually who having spare time subsequently spend it whole day through watching television programs or just laying on the bed? Do you need something new? This Allergies can be the response, oh how comes? It's a book you know. You are so out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?

John Collins:

Reading a publication make you to get more knowledge from the jawhorse. You can take knowledge and information originating from a book. Book is created or printed or illustrated from each source in which filled update of news. In this modern era like now, many ways to get information are available for you. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, book and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just trying to find the Allergies when you essential it?
