Benjamin, V. Franklin, Fred Grayson

Dictionary of American Literary Characters (Facts on File Library of American Literature)(2 vol. set)
Benjamin, V. Franklin, Fred Grayson
A dictionary of characters from American literature. The two volumes cover more than two centuries of characters, from 1789, the date of the first American novel, through to the 20th century. There are more than 16,000 entries - over 5000 more than in the previous edition -spanning a broad scope of contemporary popular fiction, including characters from dozens of American novels published since 1980. Drawn from award-winning, best-selling and critically-acclaimed works, each entry identifies the novel in which the character appears and summarizes the character's role and relationship to other characters in the novel. This edition also includes indices that allow readers to search for information by title and author.

From reader reviews:

Louise Lewis:

Nowadays reading books be a little more than want or need but also work as a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The information you get based on what kind of publication you read, if you want drive more knowledge just go with schooling books but if you want sense happy read one with theme for entertaining including comic or novel. The particular Dictionary of American Literary Characters (Facts on File Library of American Literature)(2 vol. set) is kind of reserve which is giving the reader erratic experience.

Mark Thomas:

Information is provisions for those to get better life, information today can get by anyone in everywhere. The information can be a knowledge or any news even restricted. What people must be consider any time those information which is inside the former life are difficult to be find than now is taking seriously which one works to believe or which one the actual resource are convinced. If you get the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Dictionary of American Literary Characters (Facts on File Library of American Literature)(2 vol. set) as your daily resource information.

Jacob Keys:

People live in this new time of lifestyle always make an effort to and must have the spare time or they will get large amount of stress from both lifestyle and work. So , once we ask do people have free time, we will say absolutely yes. People is human not only a robot. Then we consult again, what kind of activity are there when the spare time coming to you of course your answer can unlimited right. Then ever try this one, reading textbooks. It can be your alternative in spending your spare time, typically the book you have read is actually Dictionary of American Literary Characters (Facts on File Library of American Literature)(2 vol. set).

Beth French:

Is it an individual who having spare time then spend it whole day through watching television programs or just lying on the bed? Do you need something new? This Dictionary of American Literary Characters (Facts on File Library of American Literature)(2 vol. set) can be the solution, oh how comes? A book you know. You are consequently out of date, spending your free time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?
