Finding the Bright Side: Actively seeking and finding the bright side of Alzheimer's Disease Marlene Krafft Beckner
Finding the Bright side is about one family's chosen path in caring for a loved one with Alzheimer's Disease. This book takes the reader chronologically through some of the challenges the Alzheimer's patient and caregiver face and then turns those challenges into reasons to be grateful. It is an up close and personal glimpse into a real family's journey through and victory over Alzheimer's Disease. Finding the Bright Side will leave you feeling like you "can do this!" You may be discouraged with your own situation or perhaps you are still in the stage of considering your options, but this book clearly states the author's source of strength and gives clear guidance as to how you can tap into this same power!
