You would have gone farthest distance in search of peace and spirituality. But at farthest end you haven't satisfied your needs.Only reason behind it is you have spent your time and efforts at wrong path of so called traditional spiritual path.When you ask for help, people describe simplest routes in much difficult descriptive way.Same in this case of spiritual health and peace ; people would tell you to refer traditional books in much detail.This is traditional way and it is good for some people. But to most of the people, these books, their illustration, recitations makes things difficult to comprehend. Hence a true seeker become disconnected from religious values and remain confused. So I came with this concept of making things sweet and simple .A better approach to religion and spirituality without going in details of religion and eliminating any confusion.

This book is for people who want to connect with religion but are afraid of massive data available which makes things difficult to understand. This book is for children who are willing to understand what religion is that these older people are always talking about.This book is also for people who wants their children to achieve good values in their life being always connected to God.
Peace of mind is easy to achieve now.Give a try to a theory of spiritual health.In words of #Sadie Fray#"Nice book! To be able to attain peaceful and happy life you only
need to commit yourself to God.Because God takes control of
everything. We all have a spiritual

Be happy. Take knowledge of God.
Spread God's word. Do good
works. Respect each other. The
journey of our life is to live with
God and do our purpose. Always
remember that in everything we do
God is with us."
A simple way to peace is being in the name of God.
Every religion believes in the presence of that supreme power of Almighty GOD.
In Indian mythological books a prime importance is given to enchanting the name of God.
