Have you ever wondered how one person could possibly have crossed paths with you at a convenient time in your life? Some choose their mission to serve other people. Some people plan it out, methodically, from childhood. Others were born to serve a mission on earth from God that endures throughout their life.

Have you ever considered that God's animal beings have missions on earth, too?

This is a true story of one such incredible being-in a cat suit-who pounced upon an unsuspecting woman's life. This cat helped saved her from choosing death, and then devoted its entire life to transforming her into a better human being. This cat had a mission from God. The mission was-me!

This story is not to convince you, but rather to enlighten you as to the possibilities of the divine.

This account is to serve as a comfort to anyone who has lost someone-be it your pet companion or human relation-to a serious illness. No one escapes the pain of heartbreak, but to endure such an obstacle course of anguish brings a light of lasting peace that will anchor your heart with joy that exists past this lifetime.

It's called love.
