Snoop Troop: Attack of the Ninja Potato Clones Kirk Scroggs
This second book in the wildly wacky Snoop Troop series is just right for newly independent readers, with art on every page, interactive seek-and-find elements, and a chance to solve the mystery! Fourth-grade detectives Logan Lang and Gustavo Muchomacho have landed their next case: a sneaky ninja is stealing the town's potato supply! The gumshoes are pretty sure a weirdo kindergartener named Chapster (who has a serious fondness for gouda cheese and cats) is the thief, but they soon discover that this case goes far beyond one crazy kid. There's a whole army of Chapster *clones* waiting for them! Who is creating them, and why would the mastermind behind this nefarious plot want to take away tater tots and French fries from potato-loving children everywhere?

Over a dozen pages of bonus backmatter are loaded with extra puzzles and doodle activities!
