Lost Souls John Van Stry
Jarith was exiled from Elsheval, one of the great Elvin kingdoms, eight years ago for political reasons. A powerful warrior who led the Queen's armies, he was angry and upset with this turn of events, but still he followed his orders, as he had sworn to do. Now, eight years later, he is being summoned back from his exile, to deal with a problem that apparently the Queen believes only he can handle.

Despite his still strong feelings over this betrayal, his desire to see his home and family again decides him to answer the call. But living an exile among humans for the last eight years has left its mark on him, having been forced to hide his Shrean form from those who wouldn't understand.

And what of the lover Jarith was forced to leave behind? The woman he once thought destined to be his? How does all of this affect her as well?
