Hume's Enlightenment Tract: The Unity and Purpose of An Enquiry concerning Human Understanding

Stephen Buckle

Hume's Enlightenment Tract: The Unity and Purpose of An Enquiry concerning Human Understanding Stephen Buckle
This is the first full book-length study in forty years of David Hume's *Enquiry concerning Human Understanding*-which, contrary to its author's expressed wishes, long lived in the shadow of its predecessor *A Treatise of Human Nature*. Stephen Buckle presents the *Enquiry* in a fresh light, aiming to raise it to its rightful position in the history of philosophy. He argues that the *Enquiry* is not, as so often assumed, a mere collection of watered-down extracts from the earlier work. It is, rather, a coherent work with a unified argument; and, when this argument is grasped as a whole, the *Enquiry* shows itself to be the best introduction to the features of its author's general philosophy.
