The New Age Movement and the Biblical Worldview: Conflict and Dialogue John P. Newport
John Newport delivers a comprehensive study of the impact of New Age beliefs on contemporary culture - and on Christianity itself - while also offering an effective, biblical antidote to today's worldview crisis. After first surveying the historical development of the New Age worldview, from ancient times through important tendencies in nineteenth-century America to recent Far Eastern influences, Newport explores in depth eleven key areas of the New Age worldview and contrasts each area of belief with the traditional biblical worldview.
