Angela can't stop thinking about the **man of the house**. She knows it is wrong, but she wants him bad. Jefferson is older and has plenty of experience. The fact that he is completely off limits only makes her desire stronger. When they move into a new place together, the tension between them only grows.

They both know that she has never done it before, and Jefferson wants to talk about it. He tells her they have something to discuss when he gets home from work, something **taboo**! Their new place has plenty of privacy, and no one has to know what happens behind closed doors.

This is the story of a naive and inexperienced brat, her forbidden older man, and their very first time! They already share a roof, come along to find out what happens when they share a bed!
