Confession Is Murder (A Lucille Mystery Book 1) Peg Cochran
For middle-aged “Jersey girl” Lucille Mazzarella, only two things in life really count—her family and her friends. When her brother-in-law’s body falls out of a church confessional, everything she holds dear is threatened, especially when the police arrest her husband for the murder.

Plagued by hot flashes, a thickening waistline, a mother addicted to the home shopping channel, and a sexy old flame who’s come back to town, Lucille really has her hands full. And while she may not know much about solving crimes, this traditional churchgoer with very modern attitudes knows that with some prayers, some fast thinking, and some even faster talk she might just be able to nail the killer and restore order to her life.
