Derrida & Education (Routledge International Studies in the Philosophy of Educati)

Derrida & Education (Routledge International Studies in the Philosophy of Educati)
Bringing together the work of international experts in the field, and two interviews with Derrida himself, this book provides a key to the reflections that Derrida's work has prompted on all aspects of educational studies. The contributors address fundamental educational issues from a Derridian perspective to demonstrate the relevance of his work in contemporary, multicultural societies.
