Episodes: Scenes from Life, Love, and Autism Blaze Ginsberg

Episodes is a memoir like no other. Debut writer Blaze Ginsberg offers a unique perspective on his life as a highly functioning autistic twenty-one-year-old. Inspired by the format of the Internet Movie Database, Blaze organizes his life events as a collection of episodes. Some episodes are still running, some are in syndication, and some have sadly come to an end. With an innovative style and approach that is all its own, *Episodes* reinvents the traditional memoir; and it will inspire young readers to see the world as they've never seen it before.
