If Kennedy Lived: The First and Second Terms of President John F. Kennedy: An Alternate History
Jeff Greenfield
"On the 50th anniversary of JFK's assassination, this is the book to read. An intelligent, often haunting book about what America and the world would have looked like if John Kennedy had lived."--Fareed Zakaria

From one of the country's most brilliant political commentators, the bestselling author of *Then Everything Changed*, an extraordinary, thought-provoking look at Kennedy's presidency—after November 22, 1963.

November 22, 1963: JFK does not die. What would happen to his life, his presidency, his country, his world?

In *Then Everything Changed*, Jeff Greenfield created an "utterly compelling" (Joe Klein), "riveting" (*The New York Times*), "eye-opening" (Peggy Noonan), "captivating" (Doris Kearns Goodwin) exploration of three modern alternate histories, "with the kind of political insight and imagination only he possesses" (David Gregory). Based on memoirs, histories, oral histories, fresh reporting, and his own knowledge of the players, the book looked at the tiny hinges of history—and the extraordinary changes that would have resulted if they had gone another way.

Now he presents his most compelling narrative of all about the historical event that has riveted us for fifty years. What if Kennedy were not killed that fateful day? What would the 1964 campaign have looked like? Would changes have been made to the ticket? How would Kennedy, in his second term, have approached Vietnam, civil rights, the Cold War? With Hoover as an enemy, would his indiscreet private life finally have become public? Would his health issues have become so severe as to literally cripple his presidency? And what small turns of fate in the days and years before Dallas might have kept him from ever reaching the White House in the first place?

As with *Then Everything Changed*, the answers Greenfield provides and the scenarios he develops are startlingly realistic, rich in detail, shocking in their projections, but always deeply, remarkably plausible. It is a tour de force of American political history.

Kennedy: An Alternate History although doesn't forget the main stage, giving the reader the hottest and based confirm resource details that maybe you can be among it. This great information can certainly drawn you into brand-new stage of crucial imagining.

Elbert Lupton:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's soul or real their interest. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this

If Kennedy Lived: The First and Second Terms of President John F. Kennedy: An Alternate History can make you truly feel more interested to read.
