Tell me a story of Joseph: A Journey thru the life of the Prophet Joseph Smith Reed R. Simonsen
A bedtime reader highlighting the early history of the Church of Jesus Christ of Latter-day Saints, commonly called the Mormon Church.

This book is not intended to be a comprehensive account of the Prophet Joseph Smith's life and therefore does not contain every story or milestone. Instead, it is written for children and the young at heart, the kind mentioned in the Gospel of Matthew, eighteenth chapter, third verse.

Some of these stories — particularly the early ones — are old favorites, which many will remember, others are little known. There should be something for everyone.

An excellent book for parents to read to children, for Family Home Evenings, or to brush up on your knowledge of early Mormonism and the history it plays in shaping American History.
