The Colour of Milk Nell Leyshon

The Colour of Milk is a literary tour de force of power, class, and fate, told in the fierce, urgent voice of the irrepressible Mary, a character as indelible as *The Color Purple*'s Celie and Margaret Atwood's eponymous Alias Grace.

Set in England in 1830, *The Colour of Milk* by Nell Leyshon is an emotionally haunting work of historical fiction — hailed as "charming, Brontë-esque...and hard to forget" (Marian Keyes) — about an illiterate farm girl's emotional and intellectual awakening and its devastating consequences.

Mary, the spirited youngest daughter of an angry, violent man, is sent to work for the local vicar and his invalid wife. Her strange new surroundings offer unsettling challenges, including the vicar's lecherous son and a manipulative fellow servant. But life in the vicarage also offers unexpected joys, as the curious young girl learns to read and write — knowledge that will come at a tragic price.

From reader reviews:

Charles Anthony:

Precisely why? Because this The Colour of Milk is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will jolt you with the secret the item inside. Reading this book adjacent to it was fantastic author who write the book in such incredible way makes the content inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This book will give you a lot of rewards than the other book get such as help improving your proficiency and your critical thinking technique. So , still want to hesitate having that book? If I have been you I will go to the guide store hurriedly.

Robert Bryant:

Playing with family in a very park, coming to see the coastal world or hanging out with close friends is thing that usually you could have done when you have spare time, and then why you don't try issue that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The Colour of Milk, you can enjoy both. It is great combination right, you still need to miss it? What kind of hang type is it? Oh come on its mind hangout men. What? Still don't obtain it, oh come on its known as reading friends.

Everette Murray:

Reading a book to get new life style in this year; every people loves to examine a book. When you study a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. In order to get information about your analysis, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, these kinds of us novel, comics, and also soon. The The Colour of Milk will give you a new experience in studying a book.

Leah Humphries:

Reading a guide make you to get more knowledge from that. You can take knowledge and information originating from a book. Book is created or printed or created from each source in which filled update of news. On this modern era like at this point, many ways to get information are available for you. From media social including newspaper, magazines, science guide, encyclopedia, reference book, story and comic. You can add your understanding by that book. Are you hip to spend your spare time to open your book? Or just seeking the The Colour of Milk when you desired it?
